2. Per MPEP 1302.01, the applicant is required, in order to be fully responsive, to submit an amendment after Notice of Allowance to end each claim with a clear definable period "." and to convert "the third folder" (first instant) on line 12 of claim 36 to "a third folder" to provide for proper antecedent basis as well as for "the content" in all claims. While it is understood there are periods at each claim ending, they are not clearly delineated and as for antecedent basis, there is support within the specification and do not warrant the level of a rejection nor and Ex Parte Quayle but would render the claims more readable.
